

a Million Words *Company Philosophy*

- When it comes to your wedding day, we believe that you shouldn't need to adjust your schedule around how many hours you've hired your photographer.
- You've hired us to capture your wedding day, and it makes no sense why you should need to pay us extra to print your photos or receive your digital negatives.
- When you hire us as professionals, we get the job done because we use professional gear.

Wedding Day Package

\$2,100 + HST

Additional travel costs may apply outside of the K-W region

- Two experienced primary professional photographers
- Up to 10 consecutive hours of shooting*
- All photos are edited and provided on DVDs in print & email resolution
- 1 hour Engagement Photo Session within the K-W area
- Online Wedding and Engagement Photo Gallery (password protected optional)
- Special pricing for Wedding Albums
- Copyrights are shared with you

* Need more time? Add \$250 onto the fee and you'll have us for the entire day!
